1 About CPISD

CPISD Career Point Institute of Skill Development was setup to fulfill the growing need in India for skilled manpower across sectors and narrow the existing gap between the demand and supply of employment oriented education and training.

We offer end-to-end training and skill development program which help to improve business productivity and enhance youth employability. Many learning centers in rural and urban locations are set up to provide employability skills aligned to industry needs. There are many sectors & millions of jobs opportunities across these sectors, where industries continue to struggle for skilled talent. In order to bridge this talent gap, CPISD offers skill building solution to the unemployed youths. We offers employability programs that in turn creates corporate ready workforce. Some of CPISD skill development initiatives include:

- Offering skill development programs focusing on improving the employability of aspirants.
- Partnering with various government and their agencies to provide skill building programs for the youth.

- Partnering with Corporate & PSUs to provide sourcing & training solution for a skilled workforce.

Learn & Earn philosophy at CPISD not only enable youth to get gainful employment but also transform them into responsible citizen. Our company has grown in numbers but we have miles to go when it comes to having the right skills for the right job CPISD has a vision to develop this potential and play a key role in providing skilled workforce.

CPISD focuses on four Key Areas:

- Vocational Education & Skills Training
